# P.S I Love You

*Spoken by Holly*

Finding someone you love and who loves you back is a wonderful, wonderful feeling. But finding a true soul mate is an even better feeling. A soulmate is someone who understands you like no other, loves you like no other, will be there for you forever, no matter what. They say that nothing lasts forever, but I am a firm believer in the fact that for some, love lives on even after we're gone.
