

ROCK MY
WEDDING

The Amber Spyglass

By Philip Pullman

I will love you forever; whatever happens.
Till I die and after I die, and when I find my way out of
the land of the dead,
I'll drift about forever, all my atoms, till I find you again.

I'll be looking for you, every moment, every single
moment.

And when we do find each other again, we'll cling
together so tight that nothing and no one'll ever tear us
apart.

Every atom of me and every atom of you. We'll live in
birds and flowers and dragonflies and pine trees and in
clouds and in those little specks of light you see
floating in sunbeams.

And when they use our atoms to make new lives, they
won't just be able to take one, they'll have to take two,
one of you and one of me.
